Note :

1. The number of slides may be within 13 to 17.
2. The PPTs shall be prepared in consultation with the project guide.
3. The hardcopy of the PPT, 2 slides per page, printed on both sides of the page along with guide signature must be submitted at the time of review.
4. Guide signature with date must be obtained well in advance and should not give excuses such as guide on leave, etc.
5. Every slide should have the following:
 - a. Header – Left side Institute Logo, slide title to be centered in red color
 - b. Body of the slide
 - c. Footer – Roll No (Left), CS677: Project Title (Center), Slide No (Right)
 - d. Each slide should have title
 - e. If contents spread across slides, then <Title ... Contd.> must be printed
 - f. The slide titles may be numbered: <1. Title>, <2-A. Title>, <2-B. Title>, etc., <3. Title>, and so on.
6. Simple blank background is preferred and designs may be avoided.
7. Each slide may have not more than 6-8 lines of contents, with sufficient font size.
8. No shading/color shading within tabular column, blocks, etc.
9. Texts must be in black/blue/alternating black and blue.
10. No complete sentences/paragraphs are permitted. Telegraphic and cryptic English sentences must be used.
11. Verbatim copy from any sources is NOT accepted.
12. Indentations, if required may be used.
13. Figures must be drawn only in Power point software and not to be drawn using other online software and ported to slides.
14. No copying of images is accepted.
15. The contents should occupy the whole slide with appropriate font size.
16. PPT should be loaded a priori, to the commencement of the review.
17. The students are expected to be present 10 minutes before their allotted time and each student has to discuss about his/her project work during the allotted time (15 mins) and answer the questions raised by DPEC.
